☐ Fee computed on table in exhibit required by Item 25(b) per Exchange Act Rules 14a-6(i)(1) and 0-11.	

Nuveen Churchill Direct Lending Corp.

YOUR VOTE IS VERY IMPORTANT

Our Board of Directors recommends that you respond to this solicitation by voting FOR the proposals described in the proxy statement.

Dear Shareholder,

Our records indicate that your account and shares have not yet been voted. The 2025 Annual Meeting of Shareholders of Nuveen Churchill Direct Lending Corp. ("NCDL") is quickly approaching, scheduled to be held virtually on May 29, 2025. Your prompt participation is needed to approve NCDL's proposals outlined in the proxy statement. We kindly request that you cast your vote by proxy urgently to ensure that a quorum is reached.

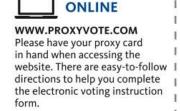

Shareholders are being asked to: (1) elect two members of the Board of Directors of NCDL (the "Board"), and (2) authorize NCDL, with the approval of the Board, to sell or otherwise issue shares of its common stock at a price below its then current net asset value ("NAV") per share, subject to certain conditions as set forth in the proxy statement (the "Below NAV Proposal"). While NCDL has no immediate plans to issue any shares of its common stock below NAV, NCDL is seeking shareholder approval now in order to provide maximum flexibility if it desires in the future to issue shares of its common stock below NAV per share, which typically must be undertaken quickly.

Your vote and participation are very important to us, no matter how many or few shares of NCDL you own. If you do not vote, the effect is the same as voting against the Below NAV Proposal. We encourage you to vote your shares using any one of the methods described below. Your prompt response will help us meet shareholder approval requirements before the meeting, thereby reducing the risk of postponement and additional solicitation costs. If you have any questions about voting, please call our proxy solicitor, Broadridge, at 1-833-216-6744.

Thank you for your continued support of NCDL.

Sincerely, Robert Paun

FOUR WAYS TO VOTE

vote using an automated

system.
